

# SASS CORBEE + BARNA

This walk follows one of the many itineraries leading through the Park Val Sanagra an area rich in flora, fauna and antique rural settlements. This itinerary will show you various features of the Val Sanagra: the wonderful natural setting, interesting rural settlements and traces of traditional activities like mills, lime-pits and furnaces.

The Starting point is La CHIODERIA

Here you can choose to make an easy walk just to SASS CORBEE or make a "ring tour" of 3 Hours to BARNA
