

San Rocco Festival

The feast of San Rocco is one if not the most popular traditional

event in the town of Porlezza. The day starts early in the morning where you can reach the church of San Rocco located just above Polrezza which can be easily reached via an old mule track.

From there you can enjoy the panorama of Porezza and its surroundings and you can also enter the church (open only on that day) To ring the bell, which is said to bring good luck!

In the afternoon the citizens play at the traditional “Palo della Cuccagna”, a log stretched out over the lake on which you have to walk and raise the flag at the end. You can play by subscribing a couple of day beforehand. Also in the afternoon there is a traditional market on the shores of the lake.

Also the town of porlezza may organise a firework show on the lake, which you can easilly see from the shores of the camping.
