3 km

100 m (the peak is 400mt)

About 1'20"

Easy- for all (be careful with kids)

Parking: Via Roma 3, 2010 Codogno-Cardano

It is one of the four thematic routes that lead through the Sanagra Park. This interesting hike, because of its historical and naturalistic aspects, leads deep into Val Sanagra, on the banks of the Sanagra River. along. There are still remnants of pre-industrial activities that used water energy back then.
